

**Yellow Room**  
**Gina C., Annie, and Flor**  
**Activities for the week of 04/06/2020**

**Activity 1:** Song

**Learning Objectives:** Language Development and Gross Motor.

**Materials:** Good morning song “Hello”

**Activity 2:** Bean Sorting

**Learning Objectives:** Math (sorting, classifying, counting, number recognition), Color Recognition, One To One Correspondence, Fine Motor, and Language/Vocabulary.

**Materials:** Assortment of different beans, and a bean-sorting chart

**Activity Description:**

- Teachers will email families a bean-sorting chart, for families to use with their children, or to help them create their own.
- Families will provide an assortment of different beans to their children, and talk with them about the different size, shape, color, and name of beans.
- Families and children will then sort their beans on the bean chart.

**Extension of Learning:**

- Teachers will email charts.
- Sort and count beans on a bean counting chart.
- Play a bean matching game on a bean matching game chart with matching cards.

**\*These activities can be used with rocks as well (charts included).**

**Activity 3:** Socks Match and Toss

**Learning Objectives:** Cognitive Development, Language Development, Identifying Colors and Patterns, Counting, and Gross Motor Movement.

**Materials:** Different pairs of socks and laundry basket or hamper (box)

**Activity Description:**

- Families and children will find the match to their socks.
- Families and children will then toss the socks into laundry basket or hamper (small box).
