Activity 3: Book Making “My Family and I”

Learning Objectives: Fine Motor Skills, Language Development, Vocabulary Enhancement, Creative Representation, Self –Awareness, and Social Studies.

Materials: Color or white paper, crayons, markers, glue, or tape.

Activity Description:

- Talk to your child about what a family is all about, what makes a family, what a family consists of, and how all families are different.
- Show your child pictures of their family members, to help them identify them and talk about them together.
- Give your child paper, crayons, or markers (their choice) and ask them if they can draw pictures of their family (write down what ever the child say about their drawings).
- Give your child pictures of their family members, themselves, favorite food, flags, and pets if any, and have them glue or tape the pictures on paper.
- Child and family can add and draw about what ever they want.
- Finally, create your book by putting all the papers together, make a cover with the title “My Family and I”, and staple or tape everything together.

~ **REMEMBER, your child is the Author and Illustrator!**
