

Yellow Room
Gina C, Annie, and Flor
Activities for the week of 06/08/2020

Activity 1: Story

Learning Objectives: Language Development

Materials: Book “Love The World” by Todd Parr

Activity 2: Songs

Learning Objectives: Language Development and Music & Movement

Materials: Song “A Song of Peace” by Jack Hartmann

Activity 3: Sink or Float?

Learning Objectives: Science, Language Development, and Vocabulary Enhancement

Materials: A small tub filled with water and small, water safe objects

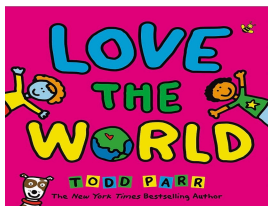

Activity Description:

- Your child will experiment and discover many objects that float and sink

Activity Steps:

- Fill a small tub with water.
- Explore and gather - Invite your child to gather objects from around the house or yard.
- Does it float? - Encourage your child to experiment with the objects to determine what sinks and what floats.
- Make a prediction - Increase the difficulty by asking your child to predict what will happen before each object enters the water.
