

Yellow Room
Gina C, Annie, and Flor
Activities for the week of 06/22/2020

Activity 1: Song

Learning Objectives: Gross Motor Movement, Language Development and Vocabulary Enhancement

Materials: Song “We’re going on a bear hunt”

Activity 2: Making & Exploring with Bubbles

Learning Objectives: Develop Visual Skills, Sensory, Language Development, Vocabulary Enhancement, Fine Motor Skills, Hand-Eye Coordination, and Oral Motor Skills

Materials: Tub, Water, Liquid Dish Soap or Bubble Bath Solution and Food Coloring (optional)

Steps:

- Fill tub with water
- Add liquid dish soap or bubble bath solution and food coloring
- Mix water, soap solution, and food solution with your hands to make bubbles
- Touch, pop, blow, and explore with your bubbles “HAVE FUN”

Extensions of Learning:

- Add measuring cups, whisk, sponge, and toys
- Count the bubbles as they drift by
- Learn opposites – small & big
- Identifying direction – bubbles going up & bubbles going down
