

**Yellow Room**  
**Gina C, Annie, and Flor**  
**Activity for the week of 06/29/2020**

**Activity:** Bubble Blower Painting

**Objectives:** Sensory, Language Development, Color Recognition, Oral Motor Skills, Fine Motor Skills, and Hand-Eye Coordination

**Materials:** Liquid Bubble Solution with Wands, Food Coloring, Plastic Cups or small Containers, and White Paper

**Activity Description:**

- Children will learn how to use bubble solution in different ways and discover different types of materials to paint.

**Steps:**

- If using multiple colors – Pour a little of liquid bubble solution into each cup or container.
- Pure 5-6 drops of food coloring into each cup or container with liquid bubble solution (1 color per cup or container).
- Mix liquid bubble solution and food coloring well.
- Dip wand into the cup or container and blow the bubbles all over the paper.

**HAVE FUN!**
