Monday, November 9, 2020: Gluing our paper hands onto Construction paper

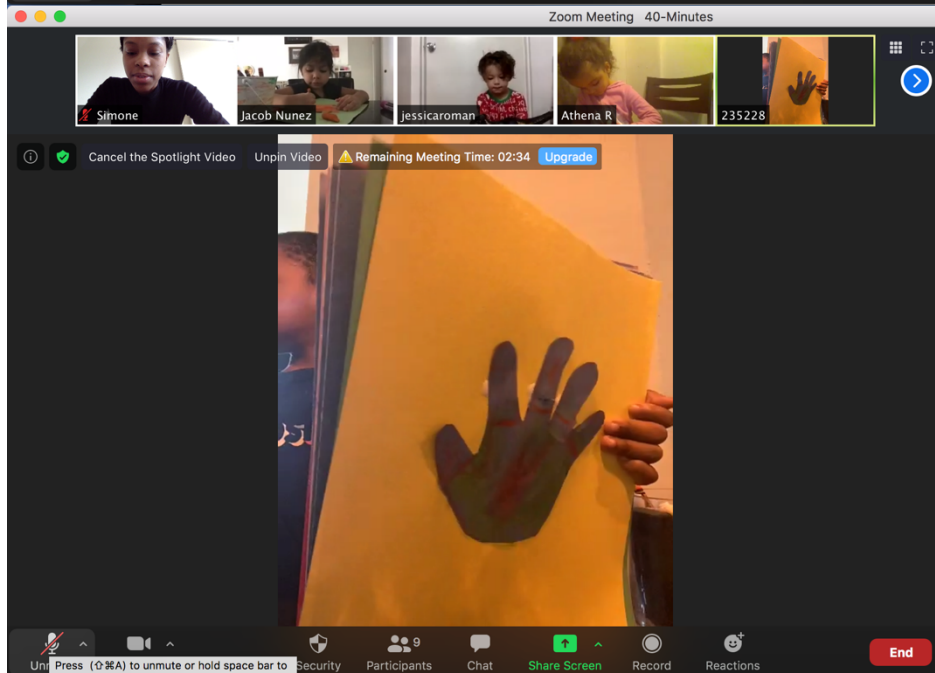

Hello Bloomingdale family,

We will be having our live zoom call 9:20am-10:00am

We will start by singing our Good Morning song. We will then take attendance by reading each students symbol and asking the group if each child is present. Then we will discuss how many students came to class. After we will share how our weekend went. Later we will do a fun large group activity: Children will be gluing the hands we cut out on Friday onto construction paper . Please prepare a glue stick , a new sheet of construction paper and something to color with.

Thank you so much for making sure your child has the best learning experience.
