Objectives:

- Language Development and Vocabulary Enhancement
- Animal's Name and Sound
- Matching
- One To One Correspondence
- Increase Attention Span
- Family Engagement

Materials:

- Farm animal matching game chart (included)
- Scissors

Steps:

- Print 2 copies of the farm animal matching game chart.
- Take 1 chart and cut out the farm animal pictures to make matching cards.
- Place farm animal matching game chart on a table or floor.
- Give your children the matching cards and let them explore the farm animal cards/chart.
- Talk to your children about the names of each animal and what sound they make.
- Children will then try to match the cards to the corresponding pictures on the chart.

~ **PARENTS:** If matching game is new to your children or they seem to have difficulties, please model for them. This game can be played among family members.

HAVE FUN!
