Classroom #6 Activities for the Week of 04-19-2021

April 19, 2021:

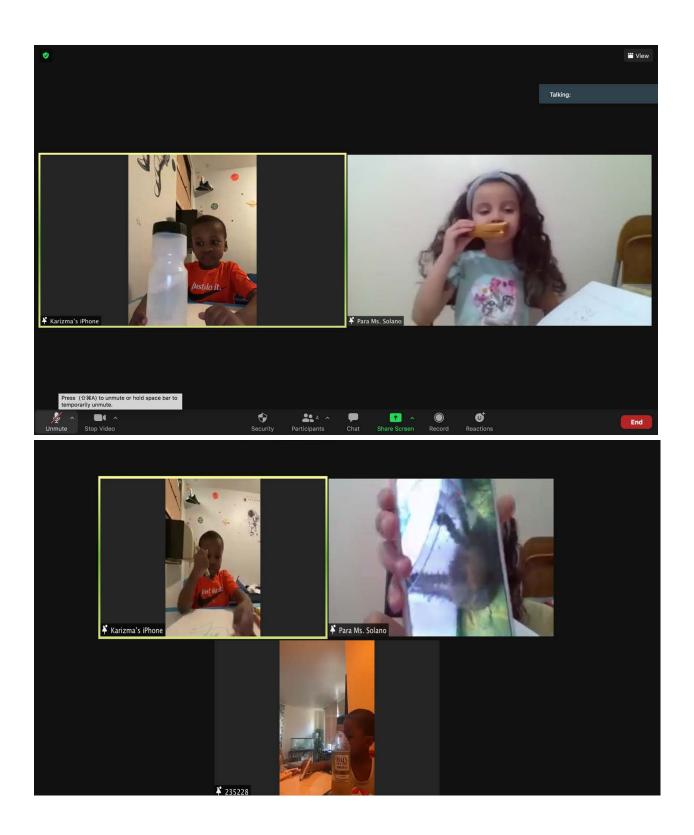

Topic: Learning about Spring insects: CATERPILLARS

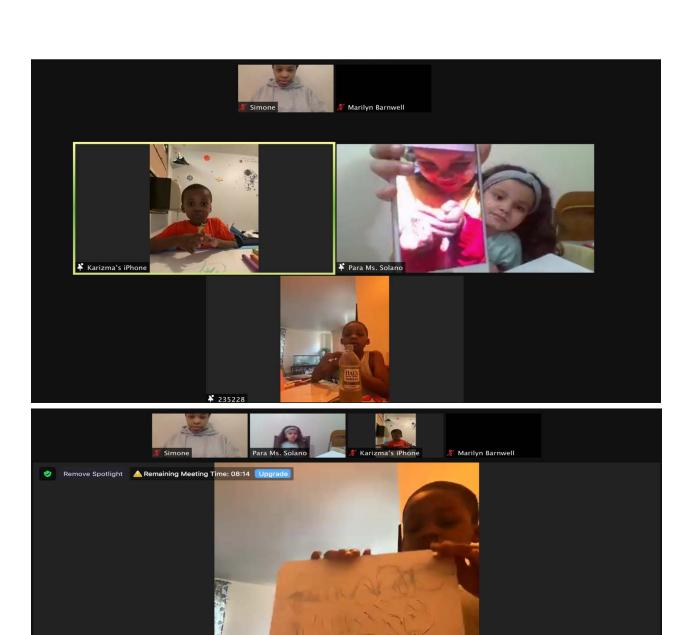

Hello Bloomingdale family,

We will be having our live zoom call 9:20am-10:00am & 10:00-10:40

We will start sharing how we feel and drawing it. We will then take attendance by reading each student's symbol and asking the group as a collective if each child is present. Then we will discuss how many students came to class. After we will discuss what caterpillars are, if we've seen one before, and things we know about them already. Later we will draw a picture of one. Provide a sheet of paper and something to write on (markers / crayons / pencils) for your child to draw and sign their names.
