June 7, 2021:

Topic: Let's talk about Fish in the sea

Hello Bloomingdale family,

We will be having our live zoom call 9:20am-10:00am & 10:00-10:40

We will start sharing how we feel and drawing it. We will then take attendance by reading each student's symbol and asking the group as a collective if each child is present. Then we will discuss how many students came to class. Children will learn about a variety of fish from all parts of the world. Please provide a sheet of paper and something to write with (markers/ crayons/pencils) for your child.

Topic: Let's find words in our name

Hello Bloomingdale family,

We will be having our live zoom call 9:20am-10:00am & 10:00-10:40

We will start sharing how we feel and drawing it. We will then take attendance by reading each student's symbol and asking the group as a collective if each child is present. Then we will discuss how many students came to class. After spelling our names, we will be carefully looking at the letters and finding words. Later we will talk about those words. Please provide a sheet of paper and something to write with (markers/ crayons/pencils) for your child.
