

Workforce Training on The Fundamentals of Sewing

Learn To Sew And Meet Prospective Employers

Paid Training \$15 An Hour - 2 days a week

Intensive 12 weeks basic sewing program provides skills to under/unemployed Harlem and Uptown residents. We ensure that our graduates are proficient in basic sewing techniques, including garment construction, alterations and operating industrial sewing machine to enable them to gain employment in the garment industry.

Applicants Must Be Authorized To Work In The United States and Be Fully Vaccinated.
